

PERLANE PRE PROCEDURE INSTRUCTIONS

If you have any of these following conditions, you should not receive treatment with Perlane:

- Pregnancy or nursing (or trying to become pregnant)
- Active acne or infection
- Previous allergy to a filler or hyaluronic acid product

- Don't wear makeup to your appointment
- Avoid irritating chemicals and/or soaps for a week prior to your injection
- Notify Dr. Chilukuri if you take any blood thinners (aspirin, Plavix, Coumadin, fish oil, vitamin E, etc).
- Notify Dr. Chilukuri if you have any history of cold sores

We want you to have an outstanding result. If you have any questions or concerns before your procedure, please call the office at 713.344.0450.
