

SCULPTRA PRE PROCEDURE INSTRUCTIONS

- Do NOT take aspirin, Motrin, ibuprofen, Naproxen, Aleve, Vitamin E, Gingko Biloba, fish oil, St. John's Wort, garlic pills, or other anti-inflammatory medications for 1-2 weeks if okay with your primary physician. These medications can increase the risk of bruising. For mild pain or headaches, Tylenol is preferred.
- DO inform your nurse or physician if you have a history of medication allergies, history of anaphylaxis, and any other medical problems.
- The ideal time to schedule this procedure is at LEAST 2 weeks before a big event.

We want you to have an outstanding result. If you have any questions or concerns before your procedure, please call the office at 713.344.0450.
