

CHEMICAL PEEL PRE PROCEDURE INSTRUCTIONS

- You should not have any facial tan.
- You must avoid sun exposure to the area and use a sunscreen at least 1 month before and 3 months afterwards. After then, a sunscreen should always be applied.
- Please do not wear make up on the day of your procedure.
- Please do not wear contact lenses
- If you have any history of cold sores, please DO let Dr. Chilukuri or his assistant know.

**We want you to have an outstanding result.
If you have any questions or concerns before your procedure,
please call the office at 713.344.0450.**
